**COLLEGE OF COMPUTING AND INFORMATICS**  
**BAROTAC NUEVO CAMPUS**

The first day of the Skills Training and Workshop on the Application of the JCFC Management and Decision Support System continued its implementation on October 12, 2025. The activity was led by Project Leader Mr. Guy V. Arellano and Extension Coordinator Mr. Joelee Fritz P. Masangya.

The first day OCTOBER 16, 2025 focused on a re-echo session about the Empathy Walk, an essential component in initiating an extension program. Faculty members, known as extensionists, were oriented on the proper conduct of an empathy walk — including interview techniques, participant profiling, and area observation — to ensure that future extension

On the second day, October 17, 2025, the extensionists visited the Bureau of Jail Management and Penology (BJMP) – Barotac Viejo, Iloilo, where they conducted the actual Empathy Walk. Applying their learnings from the first day, they engaged with Persons Deprived of Liberty (PDLs) and BJMP personnel, observing and interacting to gain insights into their needs and possible
